

Services: Peer Support

Destiny-Pride has been operating on small but consistent sources other non-profit organizations which operate under similar commitments through our partnership with these organizations that we provide peer support workers who visit the families in their homes rather than

The Peer Support Program is an initiative aimed at improving community sub-acute hospitalization for mental illness. Peer support workers They provide follow up and advocacy support for medical appointments, proceedings, discharge meetings from acute care and educational options for their respective children.

Destiny-Pride provides peer support and services to children and families and weekends. Our peer advocates are family members who have experience with health and education systems. These family members provide peer support system.

If you are interested in finding out more about these or other services we provide, you may contact us by filling out the form below and someone will get in touch with you.
