

## Services: Drug & Substance Abuse

Drug and substance abuse are among our most challenging public health problems, and have negative consequences for individuals and for society as a whole. After the necessary needs assessment evaluation has been performed, Destiny - Pride will work with its clients to connect them to service providers who will provide the highest quality of drug and substance abuse rehabilitation with the goal of assisting them to experience recovery, as well as encouraging them to become successful and productive citizens.

If you are interested in finding out more about this service or other services we provide, you may contact us by phone at 202.547.0202 or simply fill out the form below and someone will get in touch with you.
